PRESS RELEASE

OFFICIAL FOREIGN RESERVES
September 2010

In September 2010, official foreign reserves held by the National Reserve Bank of Tonga (NRBT) fell by \$1.4 million to \$172.7 million, compared to \$174.1 million in August 2010 and \$163.3 million recorded in September 2009. This is equivalent to 7.3 months of imports of goods. The fall in foreign reserves during the month was mainly due to official capital outflows.
