

OFFICIAL PRESS RELEASE

7th May 2019

**OFFICIAL FOREIGN RESERVES
April 2019**

Official foreign reserves held by the National Reserve Bank of Tonga (NRBT) declined by \$0.8 million over the month of April 2019 to \$464.2 million, equivalent to 7.7 months of imports. The monthly movement was attributed mainly to higher import payments and repayment of government loans. However, the official foreign reserves increased over the year by \$18.3 million. The annual growth resulted mainly from higher receipts of budget support, grants, and cyclone relief funds from development partners. Furthermore, remittance receipts also contributed to the annual increase in foreign reserves.
